## PROFILE

*JCBL Group* is a leading business conglomerate. From an early foray into mobility solutions space to staying abreast of the latest technologies, *JCBL Group* today has a strong presence across diverse sectors of economy such as automotive, construction & infra building, logistics, healthcare, Parts & components for railways and buses, agriculture, defence and many more. At present we have 5 manufacturing plants, 21 Automobile dealerships with various offices catering to our diverse customer profile. Our Group turnover is over USD 280 million.

*JCBL INDIA* is an international face of *JCBL Group* and currently exporting its products to South East Asia, Middle East, Africa, Europe, South America, USA and Russia. *JCBL INDIA* is the one stop destination for Auto Parts.

*JCBL INDIA* Auto Parts undergo multiple quality checks to ensure that each of our products is of top quality and we also ensure at the same time that our products are timely delivered. *JCBL INDIA* Auto Parts conform to international quality standards. Our constant emphasis on innovation, extensive geographic footprint, strong relationship with marquee clients and steady technology up-gradations with global business partners have made us a distinct frontrunner in the Auto Parts category. Today *JCBL INDIA* has become a reliable source of Auto Parts for the customers across the Globe.
